This is UNEVALUATED
Information

- the airfield at Papa
47° 22'N - 17° 30'E has been taken over by the USSR for Soviet use exclusively. 25X1
no Hungarian personnel are permitted on the base and it is 25X1
manned entirely by Soviet forces. the Soviets have enlarged Papa
to such an extent that it is now one of the largest fields in Hungary.
the Soviets selected this field for several reasons. It is closer to
the West and is located on flat level terrain in non-mountainous country. It is
located about 1 km north of the central part of the city of Papa. since 25X1
the Soviets enlarged Papa Airfield they land both MIGS and Bombers on it.

the same treatment from the Soviets as the airfield at Papa. It too is now manned
exclusively by Soviet personnel with no Hungarians permitted in the area.
3. A third field in the West supposedly a secret field is alleged to be in existence
